

CALL FOR ABSTRACTS

Submission deadline: **September 27, 2023**

Instructions for Abstract Submissions

The Scientific Committee cordially invites you to submit an abstract for oral and/or poster presentations.

- All accepted abstracts are required to prepare a poster. Poster display area is 4 ft x 4 ft (1.2m x 1.2m).
- All accepted abstracts will be published in an abstract book and on the IFHRS website.
- Selected abstracts will also be chosen for oral/podium presentation for themed sessions.
- Abstracts must be submitted in English. The Official Language of the Congress is English. Simultaneous interpretation will not be available.
- Fee: \$25.00 USD non-refundable abstract submission fee, per abstract, and payable by Visa, MasterCard, American Express, or Discover.
- Notification of abstract acceptance will be provided by email through the Cadmium system.
- The Scientific Committee may rectify errors (e.g., typos, misspellings, grammatical errors, etc.) to publish the abstract book.
- All presenting authors must register and attend the Congress.

ONLINE ABSTRACT SUBMISSION SYSTEM

All presenting authors are required to submit abstracts via the online submission system called the Abstract ScoreCard by Cadmium. To submit an abstract, go to <http://www.hair2024.org/>, "Program" tab, and click on **Call for Abstracts** to get started. Once on the Cadmium submission site, click "**Join Now**" and then once you have created your account, click the green circular plus sign to begin a new abstract.

TECHNICAL SUPPORT

If you have questions as you complete the process, you may contact **Cadmium technical support** Monday-Friday from the hours 9:00am-9:00pm (Eastern Time/New York) at e-mail: support@cadmiumcd.com or telephone: +1-410-638-9239

Note: Please do not contact the AHRS headquarters for technical support. The AHRS staff is not prepared to answer questions on the functionality of the Cadmium Abstract Scorecard.

CATEGORY

The online system will ask you to choose one category that best describes your abstract from the list:

- Alopecia Areata and Immunobiology
- Biology and Biophysics of Textured Hair
- Female Hair Loss, Hormones, and Aging
- Genetics, Genodermatoses and Pediatric Hair Disorders
- Great Hair Cases from Around the World
- Hair Care and Aesthetics
- Hair Care and Management in Transgender Patients

- Other
- Photobiomodulation and Lasers
- Psychosocial Burden of Hair Disorders and Outcome Measures
- Regenerative Medicine and Biologic Therapies
- Scarring Alopecias
- Single Cell Analysis of the Hair Follicle

DISCLOSURES

You will be asked to disclose all financial relationships with ineligible companies, off-label usage, as well as author release information in the online system. If you do not have anything to disclose, you must indicate this on the online abstract submission form. **Disclosure information for all authors is required upon abstract submission.** For those who have disclosed relevant commercial relationships and are selected for an oral presentation, you will be asked to submit your presentation slides in advance for content review purposes as part of the conflict of interest resolution process.

BIOGRAPHY

You will be asked for a brief biography (150 words or less) of the Presenting Author for each abstract.

ABSTRACT

Abstract limit is 220 words, excluding title and authors.

The online system allows you to enter the body of your abstract by copying and pasting from a Word document or typing the abstract.

You may upload up to five images when submitting the abstract.

Do not list authors in the body of the abstract.

Do not list headings, such as Background, Results, Conclusions, etc.

TAKE HOME MESSAGE

You will be asked to include a short take-home message with the most important takeaway from your presentation. (150 words or less.)

PRESENTATION FORMAT

You will be asked to choose your presentation format preference from the following list:

- Oral & Poster
- Poster Only

FEE

Non-refundable abstract submission fee of \$25.00 USD per abstract is due upon submission and payable by Visa, MasterCard, or American Express. Exception is Invited Speaker presentations.

TRAVEL GRANTS

Travel grant opportunities for young investigators are available through the International Federation of Hair Research Societies. Interested individuals may review the details and apply for a travel grant while submitting an abstract. Additional details can be found at: <https://hair2024.org/travelgrants>

REVIEW PROCESS

All complete abstracts will be rated by the Scientific Committee. Any abstracts left "incomplete" will not be reviewed. There are no exceptions.

ONLINE REVISIONS & DEADLINE

Once you create your initial online account, you can return to your abstract as many times as necessary to complete or edit until the cut-off date of **September 27, 2023, at 11:59pm (CDT – Central Daylight Time/Chicago)**. Return to the submission site and log-in, click into the abstract and then the individual task(s) you wish to revise. Be sure to save any changes to your submission.

Abstracts must be completed and received through the online submission system by September 27, 2023, 11:59pm (CDT).

You will be notified in December as to whether your abstract has been accepted for presentation via e-mail.
